Dear Greene Families,

As we enter our fourth week of school, we appreciate all your support in ensuring that you children are students at home, as well as at school. Creating a space and time each day for your child to read (or be read to) at home is one of the most important things you can do for your child. In addition, taking time each day to have your child “teach” you what they are learning at school is a great way to reinforce what your child is learning in the classroom.

Some upcoming September events:

We know that there is a desire for more information regarding plans in the event of a strike. As soon as we receive the information from the District we will be passing it directly to you. In the meantime, feel free to seek Deidre Wess or me out if you have any questions. We have great relations with our neighbors across the street with is a credit to our families and neighbors. A request that our neighbors have made is that we please respect their property before and afterschool and refrain from sitting on their front steps long after dismissal. Thank you.
